The new road is due to open in March

The new A556 dual carriageway is scheduled to open to traffic in March 2017. The new 5km route connects the M6 junction 19 in Tabley with the M56 junction 7 at Bowdon.

Full weekend road closures

There will be a series of full weekend closures prior to the road opening. This will allow the team to connect the new road to the existing network.

The roads that **will be closed** are as follows:

- ◆ A556 (Chester Road) in both directions from the Windmill Public House in Tabley to Bowdon roundabout
- ◆ M6 junction 19 southbound access and exit slip roads (northbound will remain open)
- ◆ M56 junction 8
- ◆ M56 junction 7 eastbound and westbound exit slip roads
- ◆ The link between the two Bowdon roundabouts

Closure times and dates

The closures will be in place between 9pm Friday and 5am Monday on the following weekends:

Weekend 1: **17 February – 20 February**

Weekend 2: **3 March – 6 March**

Weekend 3: **10 March – 13 March**

There are also have two contingency weekends. The closures will only take place on these weekends if work is delayed due to unforeseen circumstances or bad weather. These are:

24 February – 27 February

17 March – 20 March

It is anticipated that the new road will be open to traffic by 5am on Monday 6 March before closing again for the weekend of Friday 10 March whilst barrier works are completed.

Please check the Facebook page www.facebook.com/a556knutsfordtobowdon/ to keep up to date with the progress.

Once this work is complete, the new road will be open for traffic and work will start de-trunking the 'old' A556

Pot Holes

Potholes are the bane of motorists' lives, sometimes seeming to appear overnight, causing damage to cars and making the highways dangerous. However, unless these potholes are reported, Cheshire East Council will not be aware of them and they will remain unrepaired.

If you notice a pothole, you can either report these potholes directly to Cheshire East Council using their interactive map at www.cheshireeasthighways.org/report-it-general.aspx or if you would prefer, contact the clerk (details on the front page) and she will report them for you.

Mere and Tabley Community Club

The Community Club is now fully functional. The building contractor, Stanley Construction, pulled out all the stops to enable the Bowls section to hold their Christmas presentation evening at the venue in December.

This year, there have already been several birthday parties, funeral wakes and smaller group meetings. The committee room can accommodate up to 30 people, the new hall up to 140 for seating at tables and 150 seated as for a presentation event.

Plans are being discussed for an open evening for residents sometime in early summer and the Club Committee will inform residents of their two parishes of the date.

If anyone has an event or group requiring a venue, please keep your new hall in mind, our booking secretary is Mr. Derek Long and can be contacted on 01565 653205.

Manchester Airport

The airport team attend Knutsford library every Tuesday 9.30 - 17.00, (12.00 - 19.00 on 1st Tuesday of the month), to discuss any concerns people may have about the airport / flights etc.

The mobile library will be visiting Holly Grove 20th February and 13th March 10.30 to 10.45am.
