Cheshire County Show celebrates
175th anniversary

As Cheshire Agricultural Society celebrates its 175th anniversary organisers of the Cheshire County Show are gearing up for what promises to be another action-packed event on June 18 and 19.

With its roots firmly embedded in Cheshire's rich farming history the main focus of the show will once again be the thousands of animals including livestock, horses and dogs.

The Sainsbury's Agri-Centre will also keep the show's agricultural heritage alive as members of the county's farming community demonstrate methods used to get milk, cheese, meat and other foodstuffs on to supermarket shelves.

In addition to the animals the public will get the chance see a variety of rural past times including falconry, ferreting and a pack of hounds in the Countryside Experience Area.

A thrilling schedule is planned for the main ring where attractions will include a heart-stopping display by one of the World's leading stunt motorcyclists Matt Coulter AKA 'The Kangaroo Kid' and stirring live music from the Scots Guard Association Pipe and Drum Band.

Visitors will also be able to sample tasty treats and cookery demonstrations in the Roberts Bakery Food Hall and Food Live Theatre.

Parish Newsletter

It is the Parish Council's intention to issues the Tabley Newsletter on a more regular basis, therefore the next newsletter will cover the months of March and April.

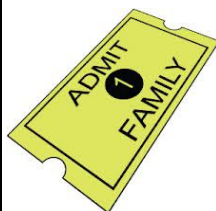

This is your newsletter and it would be very nice to be able to include more local issues in the issues. If you have something you would like including in the newsletter, however insignificant you may think, please send them to clerk@tableyparishcouncil.co.uk or post them to the address on the front of this newsletter. If you have an event that wants advertising or an issue you think may be of interest to others please send it in. If you have anything you wish to be included in the March/April edition please ensure that this is sent to the clerk by **25th February 2013.**

Delivery

The Parish Council do receive positive comments about the newsletter and also comments about when one is late. However to get the newsletter to every household in Tabley we rely on a team of volunteers who deliver the newsletter to your door in all sorts of weather.

Competition

One easy solution to help the work of the volunteers is for you to receive the newsletter via e-mail. Therefore, in return for adding your name to the e-mailing list, your name will be "put into a hat" and the winner will receive a family ticket for this year's Cheshire Show in June.

When you forward your e-mail to the clerk, this will be kept on file and used solely for the distribution of the newsletter. Your e-mail address will NOT be forwarded on to a third party.

The winner will be notified in April 2013.

A556

The Highways Agency have received a high volume of comments regarding the revised proposed plan for the new A556 highway and are currently viewing these responses.

They are currently planning on submitting their application to the Planning Inspectorate in the next couple of months.

Following this, the Highways Agency will notify all interested parties, who will then have the opportunity to register any comments or objections to the Planning Inspectorate.

Many of you will be aware that there is also a lobby group against the planned proposal. Details of their alternative plan can be found on <http://www.a556road.co.uk>.
